

Joli

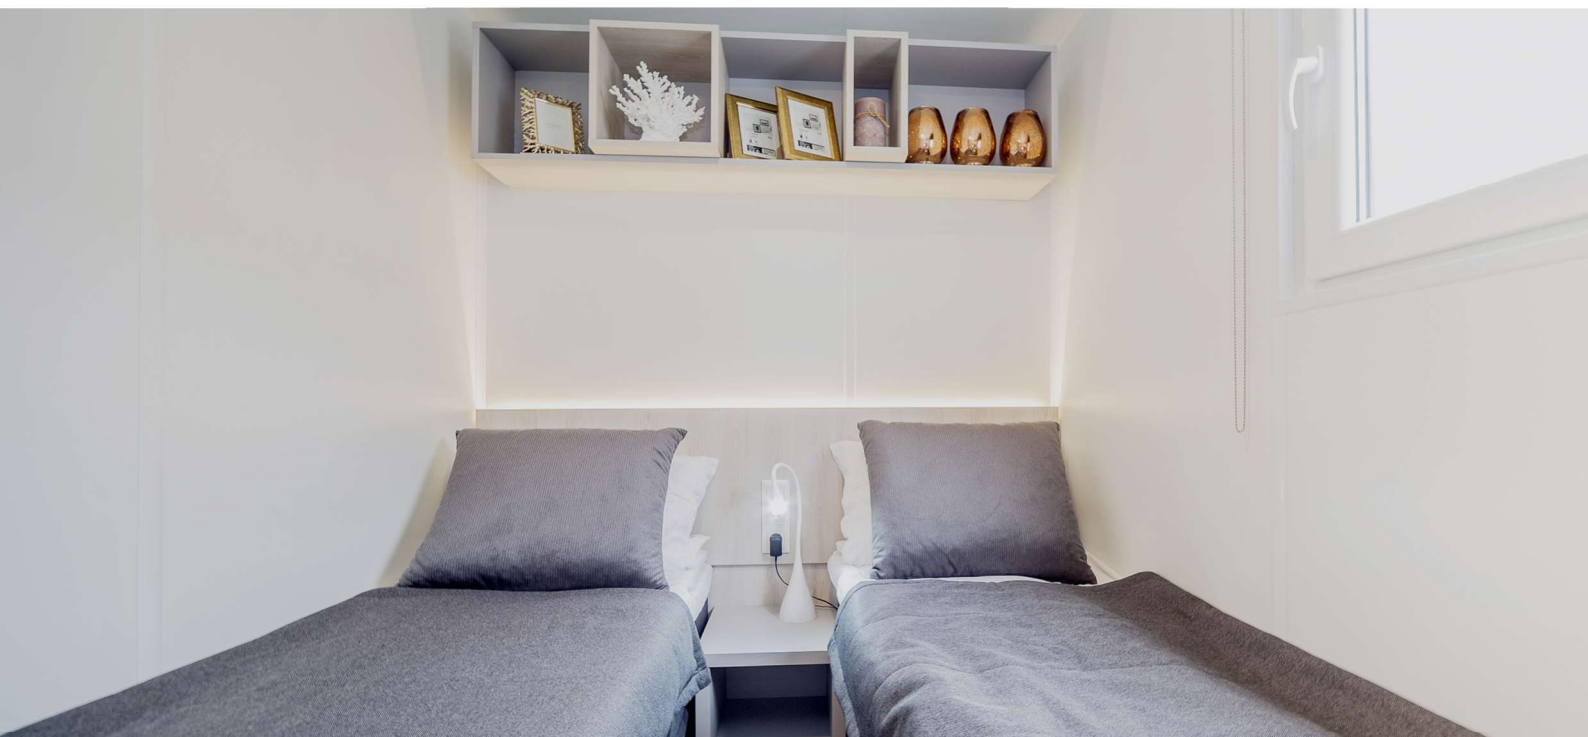

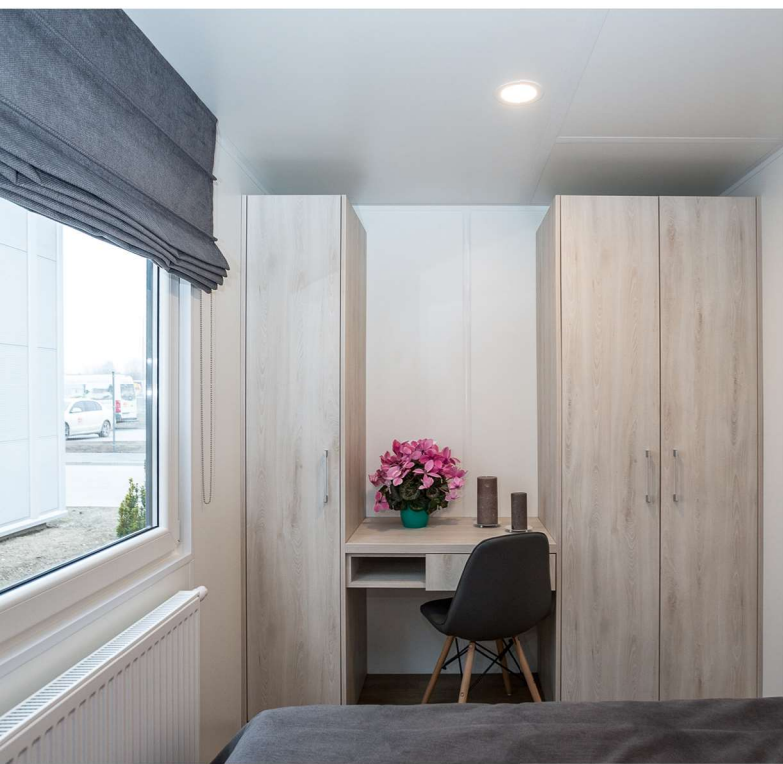

This house is a bold step in the evolution of design in the world of mobile homes. The unique, yet distinctive model is the answer to the needs of a mobile homes users who are looking for a home that does not exceed 35 m2.

Joli Natur

It is a house that becomes a part of nature. All thanks to the exceptionally durable façade of Siberian larch wood. Well designed in every detail and well built in every detail, a mobile home that cannot be underestimated. It fits nicely into the natural landscape, which thanks to the glazing in the living room, becomes a part of this home wherever it will be seated.
